

MENU

Dear guest.

Welcome to *NOR* our little home far away from home. We hope you will enjoy our company and our food. Everything is made from scratch in our kitchen.

If you have food allergies, please tell us so we can take special care in making sure your meal is compliant with your dietary needs.

We at *NOR* are from the north, the northernmost part of Norway. It's a part we always carry with us, and where we got the inspiration for our name and some of the dishes.

Båtsfjord

In addition to our traditional Nordic Food we really appreciate good meat, so at *NOR* you will always get a good steak and in time we will add more steakhouse dishes to the menu.

Enjoy and welcome.
Torill and Truls

PS: We do not serve fast food, but good food as fast as we can.
